## General Responsibilities:

### *Job Description:*

We are looking for a mechanic / shop manager to join the Silver K Farms team in Hamer, Idaho. The individual in this role will be responsible for the servicing, maintenance, and repairs on all farm equipment, machinery, and vehicles brought in to the shop. Experience with 6x6 trucks, Peterbilt semis, or Chevy pickups are a plus. We are seeking a candidate with a background in farm and truck maintenance and repairs.

### *Responsibilities:*

- Perform maintenance and repairs on farm machinery, equipment, vehicles
- Direct, organize, and prioritize tasks and other crew members where needed
- Keep detailed work logs
- Assist with occasional farm duties, as needed and directed

## Job Qualifications:

- High school diploma or equivalent
- Proven experience in the mechanical field
- Ability to follow established procedures and practices
- Dynamic communication skills
- Strong problem-solving, critical thinking, and troubleshooting abilities
- Detail oriented and thorough; organized
- Mechanically and analytically minded
- Welding experience is a plus

## Application Process:

Please submit your resume and references to [mandy@silverk farms.com](mailto:mandy@silverk farms.com) to apply.
