

Job Description - Full-time LPN

Our client's Home Health & Hospice care operation is rapidly expanding and they are hiring a Full-Time Home Health & Hospice LPN effective immediately. Most of our patients are elderly and/or terminally ill, so we hire the most compassionate and thoughtful talent in the field. You will be responsible for managing a heavy caseload so time management skills are essential. However, it is important to provide each patient with the time and attention necessary to meet his or her needs. If you enjoy working one-on-one with patients outside of a clinical setting, we would love to hear from you.

COMPANY DESCRIPTION

The hiring company is a well-established, fast growing, family owned business in Rexburg, ID. This is a rare opportunity to join a team that is focused on patient care and an executive team that is focused on taking care of their nurses. The culture is wholesome, fun and down to earth.

For all those living outside of Idaho, Rexburg offers a great small town feel with countless outdoor activities. It is a great place to raise a family in a safe and secure environment. With Yellowstone National Park and Teton National Park nearby, you'll have easy access to some of the most beautiful places in the world and will be able to build unforgettable memories.

JOB RESPONSIBILITIES INCLUDE BUT NOT LIMITED TOO:

- Giving medication as prescribed by a physician
- Taking vital signs, such as blood pressure, temperature and weight.
- Giving injections of medications
- Basic wound care including cleaning and bandaging injured areas
- Provide bathing/dressing assistance
- Monitoring fluid and food intake and output
- Moving patients safely
- Maintain Patients history records
- Keeping patients records current
- Scheduling appointments
- Update the doctors about the status of the patient
- Assist doctors/registered nurses with various procedures and tests
- Providing emotional support

QUALIFICATIONS:

- Licensed Practical Nurse (LPN) Certification
- CPR Certification
- Current Valid Drivers License
- Self Directed and able to work with minimal supervision
- Demonstrates excellent observation, problem solving, verbal and written communication skills.
- Shows ability to organize and prioritize workload independently
- Prolonged or considerable walking or standing. Able to lift, position, or transfer patients. Able to lift supplies and equipment. Considerable reaching, stooping, bending, kneeling, or crouching. Visual acuity and hearing to perform required nursing skills.
