Job Title: Reserve Firefighter & EMT/Paramedic

Salary: \$160-180 per 24 hr shift

Job Closing Date (mm/dd/yy): Constantly recruiting

Company Name: Teton County Fire & Rescue

Address: P.O. Box 474, 911 N Hwy 33

City/State: Driggs, Idaho 83422

Phone Number: (208) 715-5201

Web Address: <http://tetoncountyfire.com>

Contact Email: kbollar@tetoncountyfire.com

Job Description: Reserve firefighters are volunteers who are dedicated to serving the residents and visitors of the Teton Valley. They spend extensive hours of training to become qualified to respond in a safe and professional manner to emergencies within the fire district and spend additional time each year to maintain these qualifications. Reserve firefighter will respond on various types of emergency response vehicles to emergencies across the fire district. Once trained, Reserve firefighters are also eligible to be deployed on wildland fire assignments for additional pay.

General Responsibilities: Reserve firefighters work as part of an engine company under the direction of a department Captain. Reserve firefighters respond various types of emergencies that may include structure and wildland fires, Emergency Medical Service (EMS) calls, and technical rescue responses. Reserve firefighters are not required to live in Teton County, but are encouraged to work a minimum of two 24 hour shifts a month and are expected to maintain any training requirements set forth by the department. Reserve firefighter live at the fire station during their shifts along side the career firefighters as part of the team.

Job Qualifications: No previous training is required but candidates must have a High School Diploma, or equivalent, and have a valid driver's license. Previous training in fire or EMS is desired but all training and qualifications except for EMT/Paramedic will be provided by the fire department.

Application Process: If you are interested please completed the application at the website above and contact Battalion Chief Kevin Bollar for additional information.
