

JOB POSTING

Job Title: Welders and welder/fitter

Salary: \$17 to \$20 per hour

Job Closing Date (mm/dd/yy): 12/31/17

Company Name: Eaton Metal Products

Contact Person: Wayne Nelson

Address: 669 W Quinn Rd Bldg # 16

City/State: Pocatello, Idaho 83202

Phone Number: 208 237-9362

Web Address: www.eatonmetal.com

Contact email: carrolln@eatonmetal.com

General Responsibilities: Weld complete penetration components in pressure vessel fabrication. Be able to run equipment such as forklifts, cranes, and submerged-arc welding machines.

Job Qualifications: Minimum of 30 hours of welding GMAW (gas metal arc welding, mig). Use of shop tools such as cutting torch and 4" to 9" angle grinders.

Application Process: May inquire by phone but sending resume would be better. Follow up by personal interview and application. You may be asked to demonstrate welding skills on site so it would most efficient to bring your personal welding bring such as hood and welding jacket. Must pass drug screening, physical, and back ground check. Ask for Wayne
