Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

The National Student Loan Data System (NSLDS) indicates that you have received one or more OVERPAYMENTS of federal student aid funds. This could include federal student loan(s) or grant(s). You are required by law to repay any federal student aid funds received for which you were not entitled. You are not eligible to receive any federal student aid until you resolve your overpayment(s). Access NSLDS to obtain overpayment information www.nsls.ed.gov To resolve your overpayment(s) call the U.S. Department of Education at 1-800-621-3115, or write to U.S. Department of Education, P.O. Box 5609, Greenville, Texas 75403.

If you have repaid the overpayment(s), please obtain documentation that the overpayment(s) has been paid in full or you have made payment arrangements and return the documentation to the Financial Aid Office.
