Option 2:

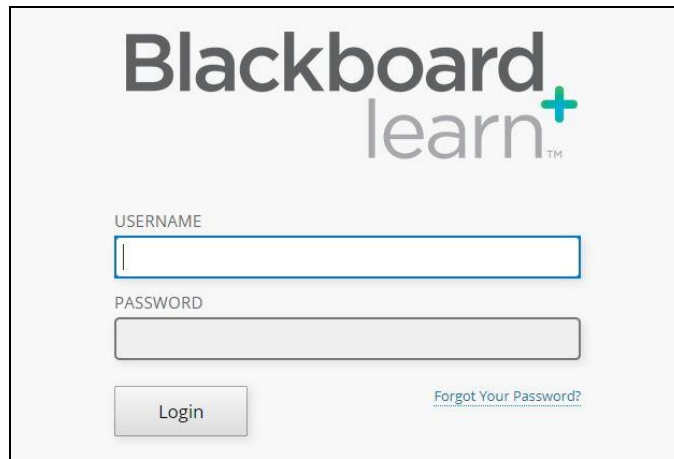

1. If using a CEI campus computer, open up your browser (Chrome, Firefox are preferred).

Logging into Blackboard

1. Once you are on the CEI Blackboard login page, type in your username (firstname.lastname).
2. Type in your Blackboard password and click "Login." (As of Spring 2019, your Blackboard password is separate from your email and self-service passwords).

The image shows a screenshot of the Blackboard Learn login interface. At the top, the logo reads "Blackboard learn" with a green plus sign and a trademark symbol. Below the logo, there are two input fields: "USERNAME" and "PASSWORD". The "USERNAME" field is currently empty and has a blue border. The "PASSWORD" field is also empty and has a grey border. Below the "PASSWORD" field is a "Login" button. To the right of the "Login" button is a link that says "Forgot Your Password?".

Note: If you have an issue logging in or have forgotten your password, contact the IT Help Desk in Building #2 Room 290, or call (208) 680-6874.
