

Notice of Upcoming NWCCU Accreditation Visit (April 20-22, 2016)

The Northwestern Commission on Colleges and Universities (NWCCU) will perform a comprehensive accreditation evaluation visit to Eastern Idaho Technical College (EITC) on April 20-22, 2016. A NWCCU evaluation team will meet with campus students, faculty and staff to evaluate EITC's accreditation status, in conjunction with EITC's 2016 Year Seven Self-Evaluation Report.

In preparation for the April visit, EITC invites members of the EITC community, as well as members of the general public, to provide comments regarding EITC's qualifications for accreditation. All signed comments will be forwarded to the visiting evaluation team, and to NWCCU.

Comments should be sent directly to NWCCU by March 20, 2016 in order to be fully considered in the accreditation review:

A Year Three Peer-Evaluation Report was completed in February 2013 and NWCCU subsequently confirmed EITC's accreditation status in April 2013.
