Note: Institutions must provide complete answers to each question.

- b) Among the students enrolled in your institution, how many were NOT Title IV eligible throughout their enrollment during the reporting period?

Enrolled Students Not Eligible
839

Based on the Department's Final Regulations issued on May 14, 2021 (86 FR 26608, available at <https://www.federalregister.gov/d/2021-10190>), students are not required to be eligible for Title IV student financial aid in order to receive HEERF emergency financial aid grants. Title IV eligibility for this question is based on the number of students for whom the institution has received an Institutional Student Information Record (ISIR) plus the number of students who completed any alternative form developed by the institution. In reporting these data, students should be classified as Title IV eligible if they were determined to be Title IV eligible at any point during the reporting period.

Institutions should follow IPEDS Fall enrollment guidelines (<https://nces.ed.gov/ipeds/use-the-data/survey-components/8/fall-enrollment>) for when to capture a student's age. For example, institutions operating on a traditional academic year calendar (semester, trimester, quarter, or 4-1-4) report Fall enrollment as of the

institution's official fall reporting date or October 15. Institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters) report Fall enrollment as students enrolled any time during the period August 1 and October 31.
