

Dr. Angela Sackett – Vice President of Academic & Student Affairs

Dr. Angela Sackett has served as Vice President of Academic and Student Affairs at College of Eastern Idaho (CEI) since 2024. Since joining CEI in 2013, she has held a variety of leadership and faculty roles, including adjunct and full-time faculty member, inaugural Science and Math Department Chair, Dean of General Education, and Dean of Health Sciences.

In her current role, Dr. Sackett provides oversight of the college's academic and student affairs programs, leading efforts to plan, coordinate, and implement educational offerings that support student success. She also works to ensure students have access to comprehensive support services across campus, helping remove barriers and strengthen the overall student experience.

Dr. Sackett holds a Doctor of Chiropractic degree from Cleveland Chiropractic College, a Bachelor of Science from Idaho State University, and an Associate of Science from Brigham Young University–Idaho.
