## POSITION INFORMATION

### POSITION NAME

Mitigation Technician- Restoration

Elite Restoration is currently looking for a Mitigation Technician for our Pocatello, Idaho location. If you have a successful attitude with a “get it done right” mentality, a desire for a career that helps others, plus work with a growing company dedicated to restoring damaged homes and businesses, then look no further.

### MINIMUM QUALIFICATIONS

The primary responsibilities of this role are:

- Controlled demolition
- Baseboard & carpet cushion removal
- Peeling, securing, & reattaching wallpaper
- Carpet seam cutting
- Removing and disposing of debris
- Water pumping and extraction
- Mold remediation
- Specialty drying (hardwood, plaster, etc.)
- Vapor Barrier
- Setting drying equipment
- Constructing polyethylene enclosures
- Containment construction and maintenance
- Contents Manipulation
- Moving and Resetting Contents

You will be successful in this role if your background and capabilities include:

- Previous experience in disaster restoration (5 years or more preferred)
- IICRC Certifications a plus
- Ability to lift and manipulate heavy objects on a regular basis
- Ability to stand and walk for long periods of time

Ability to work in confined spaces  
Willingness/ability to work some weekends and night hours as needed (on-call rotation)  
Professional customer appearance  
Bilingual (English/Spanish languages) skills a plus  
Valid Driver License  
High School Diploma or equivalent preferred
