## POSITION INFORMATION

### POSITION NAME

Youth Care Professional

Our organization operates 24/7, 365 days a year, providing care and support to youth in need. Youth Care staff are responsible for the daily supervision of our residents at either our residential treatment facility or our group home and crisis shelter. They build therapeutic relationships with our clients and create a safe and predictable environment. Creating this environment requires establishing healthy boundaries, reinforcing choices and behaviors through the use of natural and logical consequences, helping residents develop internal self-control by highlighting new growth and change as well as engaging in enriching activities.

Youth Care staff may work in shifts up to 16 hours, which could include overnight shifts. This is more than a seasonal job, we desire a year long commitment from new employees in order to help create meaningful relationships with our residents.

### MINIMUM QUALIFICATIONS

High School Diploma - preferably Bachelors degree  
patient, good listener, energetic, self-assured  
Certified First Aid and CPR  
Must be willing to submit background checks.  
Employees must have a valid drivers license and a vehicle to get to and from work.

### SALARY/ WAGE RANGE
