

Student Testing Commitment

College and Career Readiness Program

The College & Career Readiness Program is grant funded and provides testing, classes, and support services at no cost to students. Placement testing is required to help determine academic skill levels, appropriate class placement, and educational goals. Testing appointments are reserved specifically for each student and funded through the program.

By signing below, I understand and agree to the following:

- I understand that the placement test is a required part of participation in the College & Career Readiness Program.
- I understand that my test appointment has been reserved specifically for me and paid for through grant funding.
- I agree to arrive on time and have my photo ID ready to show at my scheduled appointment.
- If I cannot attend, I will notify the program staff as soon as possible, preferably at least 24 hours before my appointment.
- ***I understand that repeated missed appointments or failure to communicate may affect my participation in the program and future scheduling opportunities.***
- I understand that completing the placement test helps staff support my educational and career goals.
- I understand that a post-test will be required if I register for classes and/or tutoring services.

Student Acknowledgment

I have read and understand the expectations listed above and agree to fulfill my test commitment.
