POSITION INFORMATION

POSITION NAME

Diesel Mechanic

Darby Pit is seeking a full-time Diesel Mechanic to maintain and repair heavy trucks and equipment used in our gravel pit operations. This hands-on position includes diagnosing mechanical issues, performing preventative maintenance, completing repairs, and welding as needed to keep our fleet operating safely and efficiently. Experience with diesel engines is required, and experience operating heavy equipment is preferred. We are looking for a dependable, safety-minded individual who enjoys working in a team-oriented environment and takes pride in quality workmanship.

MINIMUM QUALIFICATIONS

- Diesel mechanic education, training, or equivalent hands-on experience.
- Ability to diagnose, repair, and perform preventative maintenance on diesel engines and heavy equipment.
- Basic welding and fabrication skills.
- Valid driver's license with a clean driving record.
- Ability to lift up to 75 pounds and work outdoors in varying weather conditions.
- Strong mechanical aptitude and problem-solving skills.
- Ability to work independently while also contributing as part of a team.
- Commitment to safe work practices and maintaining a clean work environment.
- Heavy equipment operating experience is preferred but not required.
- CDL or previous experience operating commercial vehicles is a plus but not required.

SALARY/ WAGE RANGE

\$25.00-\$30.00

EMPLOYMENT TYPE

Full-Time

CLOSING DATE
