

Dental Hygiene Application - Work Verification Form

Dental assisting experience helps students develop clinical skills, patient communication abilities, and an understanding of dental office operations that support success in a dental hygiene program. To recognize this preparation and commitment to the profession, applicants may earn bonus points toward admission by documenting dental assisting work experience.

A minimum of 1,000 hours of paid dental assisting work experience is required to qualify for bonus points. Hours must be verified by the employer using this form.
