Justin R. (Secretary)

Emma B. (Parliamentarian)

Hailey M. (Dean of Student Affairs)

Page E. (Medical Assisting Club)

Lisa B. (Delta Nu Delta Club)

Felix R. (Board 2 Death Club)

Kari R. (Falcon Tinkers Makers & Creators Club)

Strahlee O. (Student Nurses Association)

- Meeting called to order at 1604hrs.
- Roll call done at 1605hrs. Student senate all present.
- 1607hrs Page E. (Medical Assisting Representative) presented her club for approval of funds for travel in the Fall 2026 Semester.
- 1608hrs Diamond G. asked about the travel policy and how it would be used by the Student Nurses Association. Hailey M. provided clarification.
- 1611hrs Lisa B. (Delta Nu Delta club representative) presented her club and asked for approval of funds for expanding storage in the library and funding for food and raffle prizes.

- 1613 Bailey W. asked if Student Senate had any questions for Delta Nu Delta club; none were presented at this time.
- 1614hrs Felix R. (Board 2 Death Club representative) presented his club for approval of funds for buying new games and snacks for when the meetings would be taking place. As well as materials to improve the longevity of the current games and supplies that they already have.
- 1617hrs Diamond G. asked how the club chooses the games and supplies that they would use the funds for, Felix R. answered that the snacks are very general “Snacks should be kept in supply in totes to prevent ants. Food purchases are only allowed once a month,” according to Bailey W.
- 1619hrs Felix R. mentioned that they have a plan for National Board Game Day in the spring of 2027.
- 1621hrs Kari R. (FTMC) presented her club for approval of funds for expanding the club, including potentially another 3D printer. Felix R. also a member of the club mentioned that the club can generate funds by 3D printing, but there are stipulations on what they do and do not print.
- 1623hrs Felix R. and Kari R. also requested that part of the funds would be used to train a work-study for someone that can be specifically trained to run the 3D printer as right now the only one that is experienced in operating the machine is the advisor Dr. Jacob Claflin which can be tricky as he has a busy schedule with teaching multiple classes.
- 1624hrs Bailey W. mentioned that FTMC is not just used for 3D printing; they also have other arts and crafts.
- 1626hrs Strahlee O. (Student Nurses Association) asked for funds for her club; the funds would be used for club activities, re-imbursement for SNA membership fees. (State and federal fees)

- 1637hrs Bailey W. mentioned that we have a couple events coming up National Cookie Day and National Coffee Day. Flyers are currently being worked on.
- 1638hrs Bailey W. mentioned that next week we will be signing cards and assembling goody bags next Monday Oct 2nd.
- 1639hrs Bailey W. mentioned our event for midterm “stress relief” Diamond G. suggested an art activity with some type of sensory wind down activity like a rubics cube.
- 1641hrs Emma B. mentioned doing something with the counseling center also art related, something that could be used as a sensory aid like a sensory bottle to help people unwind.
- 1642hrs Fred A. mentioned some type of physical activity, something that fights the stress hormones, possibly a lap around the quad.
- 1643hrs Bailey W. suggested the idea that we could book an area for Tuesday, Wednesday, and Thursday from 1100-1300hrs that way we could have multiple activities so that way people can schedule on their own and choose what they would like to do. The dates would be Oct 5th-9th.
- 1651hrs Hailey M. suggested a type of Bingo card that listed all these activities as well as different things such as a diet to make these activities like a game.
- 1659hrs Diamond G. asked if there were any updates about virtually recording the student senate meetings, Bailey W. mentioned that she is

working with Shelly and that it is a work in progress, but things are looking good.

- 1703hrs Fred A. called for approval of Minutes from last week, Diamond G. seconded. Student Senate voted Aye unanimously.
- 1704hrs Fred A. motioned to end the meeting, Diamond G. seconded; Student Senate voted Aye unanimously.
